

## Threadfin Business Solutions

We're an IT services-only company that creates incredible value through solutions that transform, modernize, optimize and secure organizations.

### We're vendor-independent.

Our solutions are built for your specific needs and unique goals. We're focused on scalability, flexibility and cohesive integration with your environment

### We're based in the United States.

We're US-based, with a national footprint and significant global delivery experience.

### We know digital transformation.

We combine our proven technology delivery experience with our deep technical skills to provide unmatched digital transformation services.

### We offer a partner support model.

Our unique partner support model augments partners with our advanced skills and expertise.

### We're approachable experts.

Our team prides themselves on deep digital transformation skills and their willingness to collaborate and share their knowledge with our customers.

### We serve mid-tier and enterprise.

Adept at navigating both simple and complex environments, we serve myriad industries.

Our *Experience Threading Framework* illustrates the way we continuously improve digital experience for employees and customers.

The *Experience Threading* icon in the center represents the lifecycle of human-centered digital transformation. It's perpetual because technology continues to shift. It's pervasive, connecting through all the pillars, because they work in harmony.

Our team has migrated  
**TENS OF  
MILLIONS**  
of users to the cloud.
